## **Anthem Blue Cross and Blue Shield: Making healthcare coverage easier.**

At Anthem Blue Cross and Blue Shield, we're doing everything we can to make all kinds of healthcare coverage available to all kinds of people. In fact, we're ready to be a one-stop shop for all your insurance needs.

A comprehensive range of reliable and affordable products—along with a thriving nationwide network including over 90% of the country's hospitals and 80% of its physicians—is what you'd expect from Anthem Blue Cross and Blue Shield, a company millions of people have entrusted their healthcare coverage to for over 60 years.

Day in and day out, our most important goal is treating you the way you deserve to be treated. Fairly.

We look forward to making your experience with us pleasant and rewarding.

### **Who needs Short Term coverage?**

Recent college graduates, people between jobs, dependents, early retirees – anyone who needs temporary protection until they secure more permanent coverage. The Blue Short Term plan is designed to protect you for one to six months.

No matter how healthy you are or how well you take care of yourself, unexpected health issues can arise. You don't want to get caught without healthcare coverage. It's just not worth the risk.

## What's Covered?

Blue Short Term offers the same level of reliable healthcare coverage you'd expect from the company that's been protecting people for more than 60 years.

### Covered Services:

- Office visits
- Prescription drugs – up to \$500
- Diagnostic services (lab and x-ray)
- Inpatient hospital and outpatient services
- Emergency room and urgent care
- Ambulance - up to \$2,500
- Home healthcare – up to 40 visits
- Hospice
- Human organ and tissue transplant - up to \$1,000,000
- Durable medical equipment

Once your deductible has been reached, Blue Short Term plan pays 80% of covered services. You pay the remaining 20% until your total out-of-pocket expense for covered services is met. Once that limit is reached, the plan pays 100% for most covered services, up to the \$2 million maximum.

**This Blue Short Term Brochure is intended to be a brief outline of coverage and is not intended to be a legal contract. The entire provisions of benefits and exclusions are contained in the contract or certificate of coverage. In the event of a conflict between the contract or certificate of coverage and this Blue Short Term Brochure, the terms of the contract or certificate of coverage will prevail.**

## **Design the plan to fit your time frame and budget.**

With Blue Short Term plan, you get choices. Decide for yourself what fits your needs. When do you want your coverage to start? How long will you need coverage – one, two, three, four, five, or six months? Select the deductible that's right for you, from as low as \$250 all the way up to \$2,500. And with that choice, you can influence what your coverage will cost.

### **You even have a choice of payment options.**

- Make your entire payment in advance by check or credit card.
- For a \$10 monthly administration fee, you can pay monthly in two different ways:
  - Pay the first month in advance by check/credit card, then be billed monthly and pay by check.
  - Pay the first month in advance by check, and allow monthly deductions from your bank account.

## **Is short term coverage renewable?**

You can purchase a new certificate one more time, if you are still able to answer “No” to the questions under Part E of the application. If you still need temporary coverage when your first Blue Short Term plan expires, you must complete a new application and send it in with the appropriate premium. After that, you must wait at least six (6) months before reapplying for another short term plan. Any condition that occurred during an earlier benefit period will be treated as a preexisting condition.

### **Stretch your healthcare dollars.**

With Blue Short Term, you can go to any doctor, specialist or hospital of your choice. Of course, this freedom comes with responsibility. If you seek care from a non-contracted provider, you may be responsible for submitting your own claims. However, providers who are contracted with us will normally submit claims on your behalf.

To find your doctor or local hospital, check our Directory of Network Providers at [www.anthem.com](http://www.anthem.com).

### **Take our coverage along when you travel.**

Are you a traveler? When you're on the go, The BlueCard® Program assures you of covered services when your deductible is met. Nationwide, more than 99 percent of hospitals and 89 percent of physicians contract directly with Blue Cross and Blue Shield Companies.<sup>1</sup> And since BlueCard has providers in more than 200 countries and territories, you'll also be covered internationally. Before you travel, call 1-800-810-BLUE for more information on the BlueCard Program.

## **Save on your prescription medications.**

Thanks to our 34 million members, our pharmacy benefits manager is able to negotiate significant discounts on prescription medications. When your doctor prescribes medications from our formulary—the technical name for the comprehensive list of prescription medications we cover—you save money. To check out Anthem's formulary, visit [www.anthem.com](http://www.anthem.com). Simply select **Visitors**, next select **Anthem Prescription Management**, followed by **Member Online Pharmacy Service**. Next, under **Forms and Documents**, select **More**, and finally, select **Download Anthem National Formulary**.

**And now – some really important legal information you should take the time to read.**

### **Who can apply.**

You can apply for Blue Short Term coverage for yourself or with your family. Family health coverage includes you, your spouse and any dependent children. Children are covered to the end of the calendar month in which they turn 19—or 25 if they qualify as full-time students or federal income tax exemptions. You must be a resident of the state in which you are applying, a legal resident of the U.S. and not currently pregnant.

### **What's a preexisting condition?**

Preexisting conditions are not covered under this plan. A preexisting condition is a condition for which medical advice, diagnosis, care or treatment was recommended or received during the 24 months right before you enrolled. Any condition that occurred in any earlier plan benefit period will be a preexisting condition under a subsequent plan benefit period.

### **What we do not cover.**

Short Term plans don't provide benefits for services, supplies or charges having to do with preexisting conditions (see "What's a preexisting condition?"); private duty nursing; maternity services; experimental or investigative treatment; mental health and substance abuse; preventive care services; well child care; dental and vision, except as spelled out in your contract; charges greater than the maximum allowable amount (charges exceeding the amount Anthem recognizes for services); care provided by a member of your family; treatment that's primarily

intended to improve your appearance; weight loss programs or treatment of obesity; hearing aids; eyeglasses or contact lenses; radial keratotomy or keratomileusis or excimer laser photo; artificial insemination, fertilization, infertility drugs or sterilization reversal; sex transformation surgery; custodial care; contraceptives; artificial and mechanical hearts; workers' compensation; and services we determine aren't medically necessary. These are some of the exclusions contained in the plans. Check your certificate of coverage for a complete listing of benefits, exclusions and maximum payment levels.

### **Our appeal rights and confidentiality policy.**

If we deny a claim or request for benefits completely or partially, we will notify you in writing. The notice will explain why we denied the claim/request and describe the appeals process. You can appeal decisions that deny or reduce benefits. We encourage you to file appeals right away when you first get an initial decision from us, but we require that you file within six months of getting one. You should send additional information that supports your appeal and state all the reasons why you feel the appeal request should be granted. We will review your appeal and let you know our decision in writing within 30 days of receiving your first appeal. If you remain dissatisfied with the response to the first review, you may submit any additional information, including written comments, records or documents that you want us to consider in a second level appeal.

When you are denied coverage based on medical necessity or experimental/investigative exclusions, you can request that a board-eligible or board-certified specialist review your appeal. If we deny coverage for reasons other than medical necessity or experimental/investigative reasons, you can also appeal.

Please call customer service or check your certificate of coverage for more information on our internal appeal and external review processes.

Unless our notice of decision includes a different address, send requests for a review of appeal to:

*Anthem Blue Cross and Blue Shield  
Appeals Coordinator  
P.O. Box 37780  
Louisville, KY 40223-7780*

If we uphold our decision throughout the appeals process, you at any time can request a review by the Ohio Department of Insurance. In addition to the appeals processes we just described, Anthem has adopted a confidentiality policy in Ohio. This policy includes guidelines regarding the protection of confidential member information and a member's right to access and change information in Anthem's possession. The policy clearly points out when a member needs to sign a release before Anthem can disclose information to a member's provider, spouse or other family members.

## **We want you to be satisfied.**

If you aren't satisfied with your Blue Short Term coverage, you can cancel it within 10 days after you receive your certificate of coverage or have access to it online, whichever is earlier. If you haven't submitted any claims, you'll get a full refund of the premium you paid when coverage is cancelled within the first 10 days. You can view your certificate of coverage online or receive a paper copy of it upon request as outlined in your initial membership letter.
